# Color never looked better

If achieving high-quality color output—consistently and economically—is part of your daily challenge, then Xerox has the solution for you . . . the DocuColor 12 printer/copier.

# More than outstanding color output. It's a total business solution. Xerox DocuColor 12.

The DocuColor 12 is a digital color printing and copying solution that delivers outstanding and consistent results. No matter if you are producing proofs for production or delivering a short run print job, the DocuColor 12 does it at a cost per page that means bottom-line results for your business.

#### The DocuColor 12 delivers market proven:

#### Image Quality

The 600 x 600 dpi x 8-bit resolution of Xerox DocuColor 12 printer/copier results in vibrant color output. The DocuColor 12 uses an advanced imaging system to reproduce colors faithfully and consistently, day in and day out.

The DocuColor 12 uses a 6-micron toner for sharper, cleaner images, especially in fine-line and detail reproduction.

#### Reliability

The Intermediate Belt Transfer design creates a straight, simple paper path that increases reliability and enables the DocuColor 12 to handle heavier weight stocks up to 140 lb. index (250 gsm).

#### Productivity

At 12.5 pages per minute (8.5 x 11 in./216 x 279 mm) for full color and 50 pages per minute for black and white, the DocuColor 12 gives you the power you need to accelerate your work process.

Plus, with its automatic two-sided printing and ability to handle 12.6 x 18 in. (320 x 457 mm) paper, you can produce 11 x 17 in. (279 x 432 mm) full-bleed layouts simply and productively.

#### Powerful connections mean flexible solutions.

Xerox works with leaders in color connectivity—like Electronics for Imaging — to offer a choice of digital color controllers that you can match to your particular environment and requirements. You have the tools you need to get the right combination of color management, job management, and work-flow control for optimum output. Your Xerox sales representative can recommend a total solution that's right for you, your work process, and your budget.
